**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who has used a local provider (Sonic.net) for over 10 years. They provide great service and I always prefer to do business with a local business.

For this reason I wholeheartedly support broadband competition. And it's how the 1996 Telecommunications Act is supposed to work: enabling competitive market entry and encouraging new network deployment.

Please keep telecommunication laws competitive!
